LEWIS A. MILLER, MGR.

AKRON, OHIO, Aug 3/09.

My Dear Sister Mina,

Some time ago you asked me in one of your letters to mother to look up about a U. S. Phonograph Co. in Cleveland. I have not been up to Cleveland since we received your letter, but I have asked a friend of mine in Akron to look it up for me when he was in Cleveland. so he did. This Co. has a capital of $100.000.00 but is now taking out papers to make the capital $1.000.000.00 they are going to sell their Phonograph for fifty dollars less than the Victor. They have a record that will not track, and sell all there for what the Edison record cost to make. This is the best I can do just now. I hope to get to Cleveland this week, and will learn more about it. All are well at Oakdale. With love Lewis A.
